V4 - Revisions all in Bold Red, at bottom of letter….

Hello Sam,

This is our letter of intent for the proposed filming we would like to do on Wednesday, 5/9/2018. It is a commercial for Sketchers. Also asking for 4 hour Tech scout prep on Monday 5/7 for Car placement.

Per your request here are the details:

Production Company: Kaboom Productions, see address in letter header above. Production: Sketchers (commercial): "Tiny Car"

Filming Intentions: This is a simple commercial with a (big guy) celebrity getting into a really tiny car. We will need to put a few vehicles on the sidewalk of the West side of the Van Nuys Flyaway. Filming During Daylite hours, low impact, no special FX, some lighting of course, some extras coming into and exiting the Flyaway building to increase realism.

Location: West side of Flyaway. Mostly on sidewalk. Will need minimal control of valet, drop off area with ITC.

Cast and Crew: Probably around 50-65 total at most. (45 crew and client, 5 Cast, 15 extras)

Dates: No Prep Day, No Wrap Day, Shoot Day only: Wed. 5/9, 6a-8pm.

Trucks: probably around 5-7 trucks or motorhomes. Crew Cars likely 40-45.

Camera/Equipment: Dolly on sidewalk, standard generator tow plant and lights. Crane, scissor lifts or Condors tbd. Probably 1-2.

Other: No animals, No Special FX, Na Smoke. We will be recording sound so We will want it to be as quiet as possible and won't be making noise.

NO PERMIT

(cont.)

Alteration requests: sign removal or cover up, tbd, will know after the tech scout, should be minimal.

Request of Parking: GLORIA AVE Lot, estimated count:
Cars: 45x ($4.each)
Vans/Stake Beds < 5tn:4x ($10.each)
Trucks > 5tn: 3x ($25.each)
Motorhome: 1x ($25.each)
Gennerator: 1x tow plant ($10.each)
(plus 1 flat fee for admin. of $300.) *To park in GLORIA Ave Lot.

Request of Parking: 35 spaces along WOODLEY Lot,
West of Short Term Parking. for some trucks to unload and stage.
estimate 35 spots x $4. each. (2 rows)

Other / Misc:
-ITC ok'd with police, 1 1/2 lanes only, if needed.
-Police escort needed if putting picture cars on tile and sidewalk.
-Cannot block crosswalk from Short Term lot to Sidewalk.
-Will use layout board and matts under gear on tile/sidewalk or inside flyaway.
-Extras entering and exiting Int Flyaway. (block 1 door $50. hour)
-Production to provide 4x signs rearding "Your Presence Here... Public release".
-Electrics to Cover ALL Cable runs with BLUE Sloping ADA Compliant cable crossings. (yellow yackets are not good enough, use the Blue ones).

Tech scout Revisions: Monday 830am. 5./7. After Tech notes below in red. Please Upload to FilmLA OPS system asap:

V4 – Revisionss: Discussed with Sam Nene, as of Monday 5/7, 235pm.

1 - ** Pedestrian Signage in Drop Off Area: Production will Not attempt to remove/replace but instead has permission to cover during filming, to "Greek Out" the signs.

2 - ** NEON LIGHTS on FLYAWAY 2009 ART: VNF Staff cannot take the liability to Turn Off the neon lights but will OK the Covering of the Neon lights. Ok to Cover with Douvateen.

3 - ** CRAFT SERVICE Placement: Strongly prefer NO Crafty inside the Terminal, too many Public people will be confused with the snacks. Sam and Production will find a place OUTSIDE, on the day, that works for all parties So.. Interior Crafty .. NO. But outside sure.

4 - ** ROOF ACCESS-COVERAGE OF SKYLIGHTS: YES, production can do this but only for a limited time in the morning to Cover, then a limited time in the afternoon to Restore. VNF police will not be 'on call' all day to tweak this. The roof access is difficult and a tough ladder to climb and it gets very hot on the roof. Requires Police and maintenance Staff to accompany crew. Yes we can do it, but keep it tight and limited up and downs.

5 - ** PA "ANNOUNCEMENTS" – SPEAKER SYSTEM: Although production did request to turn off, 4/30 in V.1 Letter of Intent, now 5/7, this is "No Guarantee". The person who turns off and on the Automatic PA Announcements is an "IT" person from LAX. Wheels are in motion to make this happen, seriously, but still no guarantee. 'Hopefully' it should happen.

--------End V4, Post Tech Scout Revisions ---------

Thanks Again!
